

M.A.T.C.H SUPERVISOR

JOB DESCRIPTION

In 2019 Māoriland piloted M.A.T.C.H - the Māoriland 'Ahi (Fire) Tech Creative Hub. In 2020 M.A.T.C.H will be expanded to support rangatahi to become creative tech leaders through training, mentorship and industry-led opportunities.

During MFF2020 M.A.T.C.H will showcase creative technology from across the Indigenous world with four VR installations at the Māoriland Hub.

We are looking for someone to manage the M.A.T.C.H space during MFF2020. This is a paid role that requires a tech savvy person to help install the VR works, manage kaitūao (volunteers) and assist audiences to view the VR works.

This role has the potential to expand into a fixed contract with the Māoriland Charitable Trust following the festival. The MCT is looking for someone to lead the delivery of M.A.T.C.H in terms 2 - 4 as part of the rangatahi team at the MCT. This is a part time role based in Ōtaki that requires knowledge and experience using digital technology and creative media and would be well suited to a recent graduate/student in this field.

POSITION AT MFF2020

- Installing M.A.T.C.H programme at the Māoriland Hub prior to MFF2020 (1 - 2 days between March 14 - 16)
- Training kaitūao (volunteers) to facilitate the M.A.T.C.H space
- Overseeing the M.A.T.C.H space and volunteers during the festival.
- Pack down of M.A.T.C.H space.

You must have a full drivers license and be available full-time from 14th-23rd March 2020.

Applications may be made via email to kiaora@maorilandfilm.co.nz
